Programs

Programs with this symbol **R** require registration. All other programs are drop-in as space allows.
Visit bellevillelibrary.ca/kids/summer to register and learn more about our summer programs. Registration opens June 18.

TD Summer Reading Club

Summer reading club materials can be picked up from the Readers' Advisory desk beginning June 18. Each week from July 2 to August 16, kids can tell us what they are reading and enter our weekly prizes.

Thanks to our sponsors

The Window Race!

When kids register for the reading club, they will be randomly selected for one of 4 teams: train, boat, camper or hot air balloon. Each time kids report their reading, they earn 100 kilometers for their team in the window race. Which team will make it 40,075 km around the world first?
